Core Competencies

- Government Contracting: Pursue and execute state and federal contracts in logistics, construction support, transportation, and more.
- Contractor & Business Development: LLC formation, SAM.gov registration, back-office support, and capital acquisition.
- Reentry Support & Housing: Transitional housing and group homes for returning individuals, focusing on mental health and employment.
- Strategic Consulting: Matchmaking, compliance support, and project management for agencies and nonprofits.

Differentiators

- Community-Centered Approach: Local hiring, community development, and inclusive business practices.
- Certified Small Business Enterprise (SBE) in North Carolina.
- Experienced Leadership: Nearly two decades in contracting, development, and reentry support.
- Local Reentry Council Partner: Trusted partner of Halifax & Northampton County Local Reentry Council.

Past Performance

- Executed state-level construction support, facility services, and logistics contracts for local agencies.
- Developed transitional housing projects with faith-based partners for justice-involved individuals.
